Middle South Model United Nations Hosted By WCU

WCU was selected as host for the 1969 MSMUN by delegates of the 1968 conference. These delegates "represent" countries in the model sessions and are sent from colleges and universities throughout the South and East. WCU hosted over 300 students and faculty from 70 schools such as Duke, UNC, University of Florida, West Point, University of Penn., and many others.

The delegates participated in committee sessions, the general assembly and the security council. The experiences of debating and working with world problems in a realistic context brought better understanding and appreciation of the work of diplomacy.

The delegates had the opportunity to hear Dean Rusk who keynoted the opening session of the MSMUN. Mr. John Parris gave the address at the final banquet. He also has served as Chief Diplomatic Correspondent for the Associated Press and covered the founding of the U. N.

The staff of the MSMUN was made up of hundreds of individuals who served as secretaries, pages and other positions. The Executive Cabinet and the Secretary General were responsible for all planning and execution of the conference.

Head Coach DAN ROBINSON

After 12 seasons at the helm of Western's football team, Dan Robinson decided to relinquish the duties as Head Coach of the Catamounts. Robinson's devotion to the game of football has been tremendous since returning to his alma mater in 1956. Coach Robinson will assume the duties of fulltime teaching in the Health and Physical Education Department here at Western. The students at W.C.U. are deeply indebted to Coach Robinson for a job well done.

Cullowhee is indeed proud of Walter C. Williams as new Athletic Director here at Western Carolina University. The expanding athletic program will profit tremendously from the experience Mr. Williams brings with him. Before coming to Western, Mr. Williams had built up an impressive record while serving in the Marine Corps. Such duties as head coach for service football teams, athletic director of Paris Island Marine Base, and administration in all phases of athletics were assumed by Mr. Williams during his tenure in the Marine Corps. The students of W.C.U. anxiously look forward to the coming years with Mr. Williams at the helm.

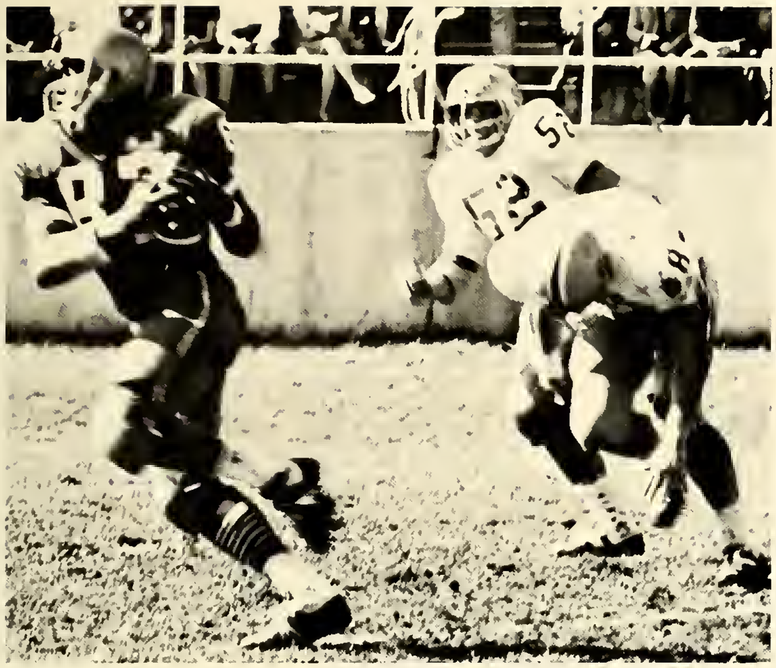
The Catamounts were unable to get a strong scoring attack underway as the Carson-Newman Eagles by-passed most of the Western defense to post a 24-7 win over the Catamounts. The fighting cats did manage to hold the Eagles to 84 yards rushing while picking up 131 yards themselves.

Homecoming Ends With Victory Over Emory-Henry . . .



Don Dalton led the Catamounts to an enjoyable Homecoming victory against Emory and Henry. The win was considered an upset over the previously unbeaten and nationally ranked Wasps. Coach Robinson credits a fine effort to the offensive line for great protection giving Dalton time to connect on his passes. The defense was also praised claiming two interceptions.

JIM GUDGER
Head Coach

JIM GUDGER'S familiar outburst and traditional red socks will be missed next year when the Catamounts begin a new season of exciting basketball. Coach Gudger has left Western Carolina after 19 years of a brand of basketball that is rarely equaled. During Gudger's career here at Western, his teams compiled a total of 332 victories for an average of 17.4 wins per season. Jim Gudger's stay at Western provided the school with numerous Conference Championships, and in 1963 a second place in the National Tournament in Kansas City. Gudger has toured many European countries giving lectures and holding basketball clinics. In 1968, he was chosen to head the NAIA forces for the 1968 olympic trials, which later became victorious in the trials without a defeat. A salute to a fine gentleman and an outstanding basketball coach – Jim Gudger.

It don't look too hard!

Just like that coach?

As Henry left for the big time, Western's Catamounts felt the hole left when a team loses a man that averaged 36.2 points a game. As predicted in pre-season, W.C.U.'s starting five usually had the advantage in height but as Henry proved time and again, being tall isn't everything. The Cats just couldn't seem to find the right combination on the court even though some outstanding performances were turned in by such fellows as Greg Whitman, Gene McConnel, and Mal Brown.

Western Carolina's Catamounts had a very unimpressive year both overall and in the Carolinas Conference, but scores do not ever tell a story completely even though a team is judged by its won-loss column. The Cats certainly displayed a determined effort to win each time they stepped onto the court. Experience will do wonders for some fine outstanding players who will hopefully put Western back on top.

Baseball

Construction begins on new field.

Western not only acquired a new track this year, but also a new baseball field. Construction began at a site that used to be known as the Cullowhee landing strip. Many a plane has zipped off the spot that now houses the new diamond. In their first year under Coach Bill Haywood, the Catamounts started the season with an impressive show of talent only to bog down late in the season and end with a 9-8 Carolinas Conference record, and 11-15 overall. Outstanding performances were turned in by such people as Reed Griffith, Tommy Hayes, Leonard Morgan, Roger Miller, and Lon Joyce.

TRACK
COACH

Coach Heath Whittle.

Highlighted by having a home track and facilities, Western's track team put on an outstanding performance both at home and meets held away. Western's depth was felt throughout the season and was a major factor in a proud undefeated season. Outstanding performances were numerous, but a strong team effort provided the Catamounts the 10-0 regular season record as well as wins in the District 6 meet against Appalachian, the Davidson relays, and an impressive Carolinas Conference Championship against Catawba. Our congratulations to a fine exhibition of sportsmanship and determination.

The cross country team, coached by Heath Whittle, set a blistering pace in the long distance running events, ending the season with an almost perfect record. The team's only loss came during the N. C. State Championship meet. Efforts were highly rewarded by winning the NAIA District 6 meet and also finishing 25th among 57 teams in the NAIA National Championship.

Western's Tennis team got off to a slow start this season losing their first match to West Georgia 4-2. The Cats won against Mars Hill to bring the record to a 1-1 standing. From this point on, Coach Peterson's club lacked experience and depth, ending the season with a 2-4 record. Tennis seems to be an up and coming sport at Western, and with the addition of new tennis courts, the competition should become keener each year.

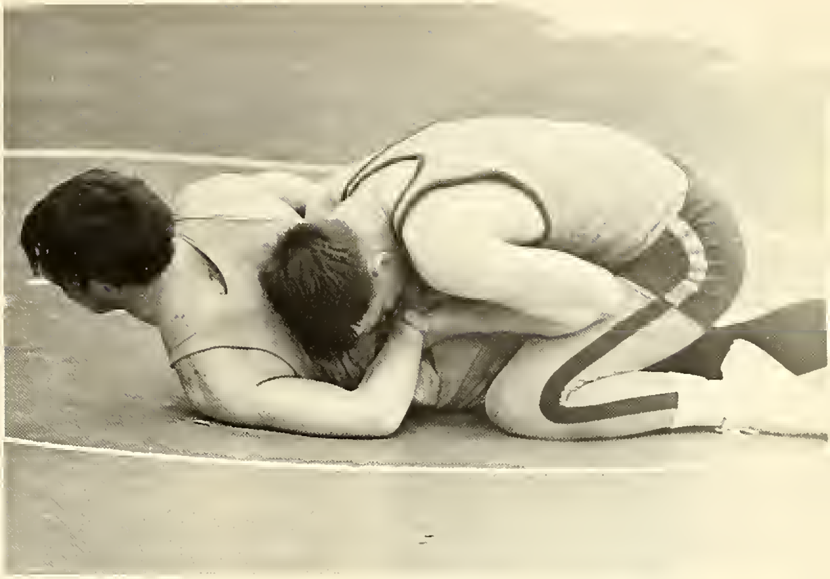
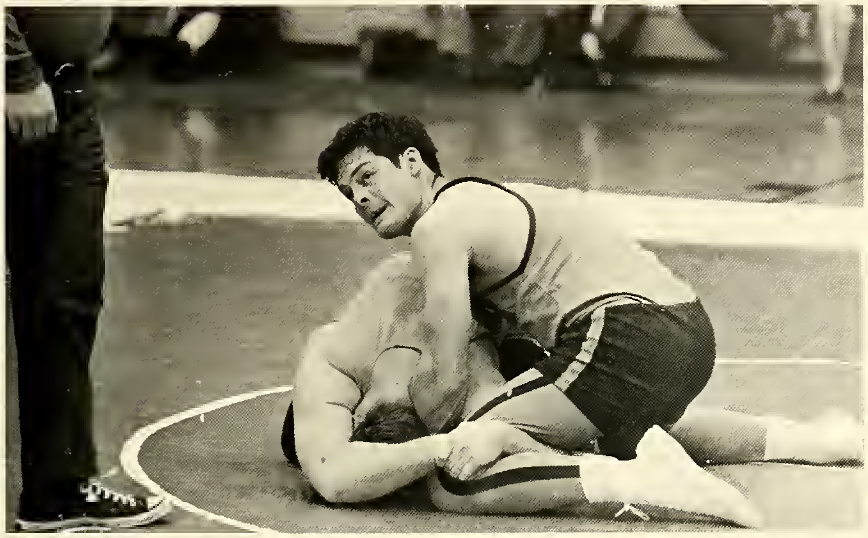
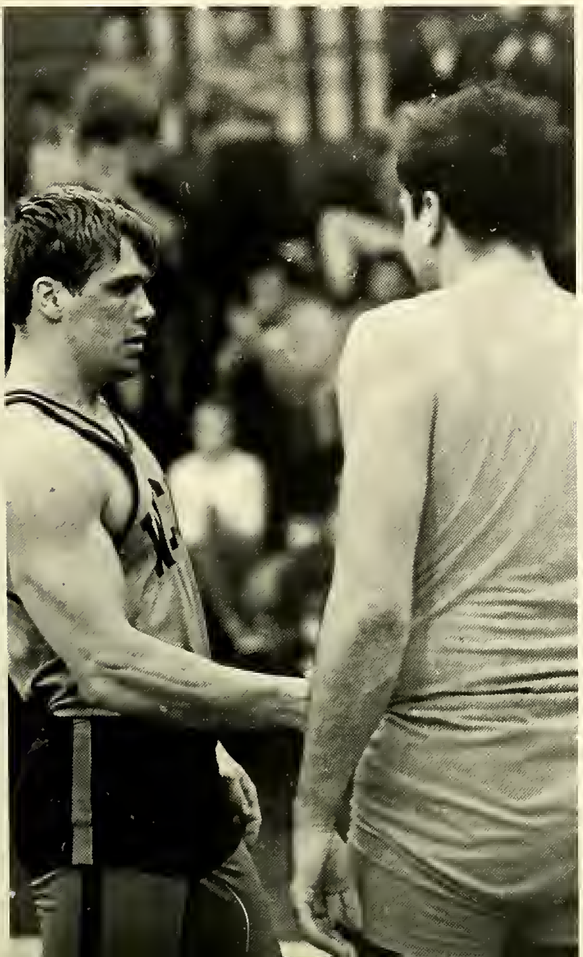
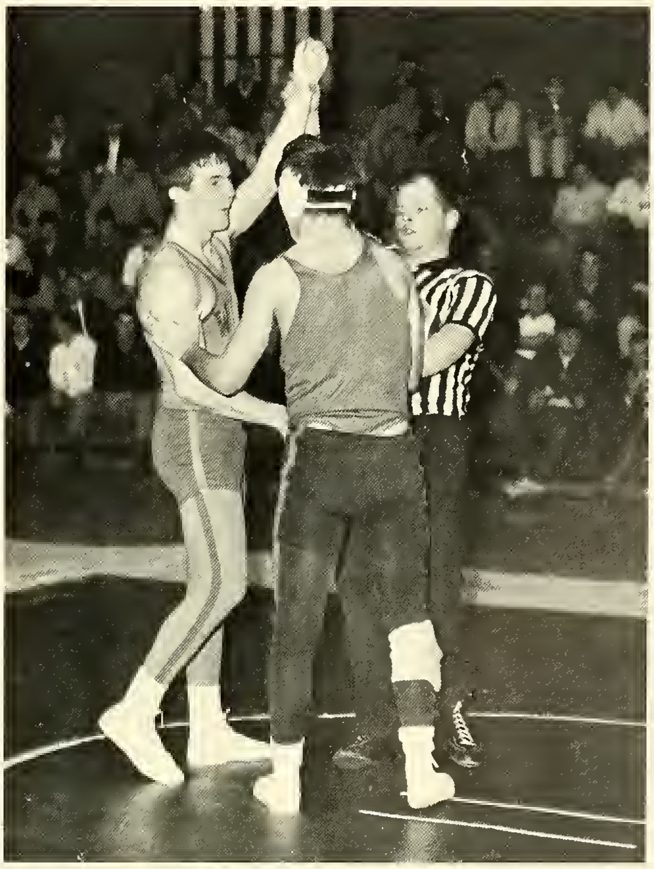
Western's first wrestling team in a number of years showed a lot of determination and plenty of sportsmanship. With Coach Bob Setzer at the helm, the team compiled a 3-4 overall record. Not bad for the first year! The Cats are looking forward next year to another season of the contact sport.









ROW 1 L-R: Charles Everhart, Frank Helton, Tommy Lane, Gus Hoyer, Coach. ROW 2 L-R: Rick Woolen, Bruce Stewart, Jeff Teague, Al Sutton.

Golf

The Golf team turned in a fine record this year, ending the season with a 10-7-2 record. The team started the season with victories over Newberry, West Georgia, and Mars Hill. Toward the end of the season, Western suffered setbacks to such teams as Presbyterian and V.P.I. All in all a real fine effort under the direction of Johnny Wike.

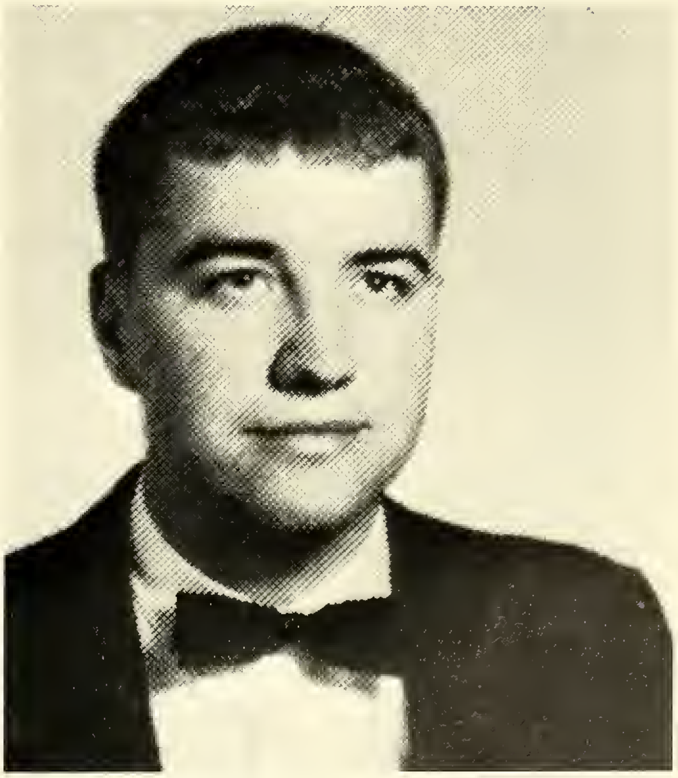
In Memory . . .

STANTON PROCTOR
Dr. Proctor was a full professor in the WCU Department of Education and was Director of the Teacher Corps. His inspiration and dedication will be missed by students, faculty and friends at Western.

ROBERT PEEK
Robert was a junior in the School of Business and a member of the Kappa Alpha order. We share with his family, brothers and friends in the loss of an outstanding individual.

CHARLES M. HOOTS
Charles was a freshman from Hendersonville, N. C. He had been a member of Western's outstanding track team. Our deepest sympathy goes with his family and friends in the loss of a fine student.



GEORGE UNDERWOOD JR.
Through his actions, George set an example to be respected and admired by all. He was a member of the Theta Xi Fraternity and was an active student on campus. Those who knew him will continue in the spirit of his example.

Picture Credits

To The Photographers

It is indeed a pleasure to set aside this page for those responsible for pictures contained in this publication. The dedication, drive and cooperation given to the catamount by these faithful staff members is greatly appreciated by its editor and fellow staff members. There was no attempt to identify on this page each picture that was used, but rather it was simply to congratulate those involved for a fine job. Pictured above are but a few of the many photographers on the catamount staff. These pictures tell a small portion of the story that underlies a college yearbook.

A personal **thank you** is extended to Terry Davis, J. D. Wilson, Livingston Kelley, Richard Griggs, Vicki Lineberger, Tom Cothran, Edgar Thompson, Bryant Poole, Thelbert Dowdy and Dr. Quinn Constanz. A special thanks also to Dr. Merlin S. Werner for the color photos on the opening pages.

As editor of the catamount I feel it has been a pleasure to have been associated with each photographer on my staff. Again "congratulations on a job well done."

YOUR

REPRESENTATIVE
COMPLIMENTS AND
CONGRATULATIONS
TO THE
CLASS OF 1969

FROM THE EDITOR'S DESK:

It is quite difficult to put into words the excitement, the cooperation, the hard work, the bright moments and sometimes the disappointing moments of putting a year book to press. I cannot praise my staff enough when I say they were really the people behind the scenes who produced the 1969 CATAMOUNT. I would personally like to thank Dr. Constanz for his understanding, patience, and insight; Mr. Frank Arnette for his personal concern and professional guidance; JoAnn Jackson, Jackie Rhinehart, Jane Coward, and Rodney Ecard for serving as executive staff members. I feel indebted to my entire staff for their untiring devotion and outstanding service. I would also like to thank my wife, Jo, for her moral support, and lastly to thank Delmar Printing Company for their cooperation in the publication of this yearbook.

The CATAMOUNT broke away from tradition this year and voted to have a summer delivery of the annual. This decision was not made without considerable investigation and long, hard deliberation and thought. It is the feeling of the editor that this system is and will be a tremendous advantage to the W.C.U. students. My only hope is that the system be given a fair and just opportunity to succeed. I have great confidence that the students will appreciate this "complete" yearbook, and that they will want to continue the summer delivery.

A yearbook of memories is only as good as its staff photographers, and I believe they have captured on film a true and accurate record of the image of Western Carolina University during 1968-69.

This past year at Western has been a year of changes, beautification, and alteration. Our theme "The Altering Image of Western Carolina University" was selected because of these facts. We inaugurated a new university President, new buildings were completed, new buildings begun, new policies were passed, long-time faculty members were lost, new and exciting faculty members were hired, and all-in-all W. C. U. is not the same as it was.

Western Carolina University will be constantly altering its image as the years pass. When alumni return for Homecomings, they will hardly recognize the campus. Progress always brings changes, and the changes reflect this new image – the image of a growing, sensitive, and concerned University.

We are proud of Western Carolina University, and the 1969 CATAMOUNT yearbook staff wish to dedicate this yearbook to the Administration, and faculty and staff, and most of all the students.

Sincerely,

Mark A. (Tony) Knott
